PHOTOGRAPHY

HELLO

I'M ROSIE

Based in the UK but shooting worldwide, I specialise in digital and film wedding photography.

With a First Class Photography degree from Edinburgh University, my work is rooted in thoughtful composition, beautiful light and honest storytelling.

Having planned my own wedding, and now as a mum to our daughter Edie, I care deeply about capturing what truly matters: the people you love and the heart behind your day.

THE EXPERIENCE

SERVICES GUIDE

THE NEXT STEPS

What to expect going forward with your booking, and what the next steps look like

01

LET'S MEET ON ZOOM

I really love meeting my couples face to face whether that be on Zoom or in person. That personal connection is so important. I'm happy to schedule a Zoom call before booking to answer any questions you may have

02

SECURE YOUR DATE

In order to officially book your wedding date with me, once you have both read & signed the contract electronically, I ask for a 20% booking fee via BACS and then the date is all yours & locked down in my diary.

03

THE PLANNING PROCESS

I'm a bit of a wedding pro having shot for 5 years and planned my own, there's not much I don't know about the planning process. From navigating suppliers abroad and building timelines around light and heat, to travel logistics and venue considerations, I'm always happy to share what I've learned. I'm just at the other end of an email whenever you need guidance.

LOVE NOTES

"Oh my god - we couldn't BREATHE looking through our sneak peak photos. We're still in disbelief that there's more to come, you've captured so many amazing memories; we are unbelievably chuffed! You are so talented!

Every. Single. Guest. has mentioned to us how incredible you were on the day. We couldn't have asked for a better photographer to capture the dreamiest day of our life. I can't wait to see you at all my friends weddings because I know for a fact they'll be racing to book you when the time comes!

We both wanted to say a huge thank you for capturing our day. You made us feel so relaxed and at ease in front of the camera. From the very first email, to meeting you in Morpeth, to pretending to waving our paparazzi away - you have been so lovely! Thank you!!"

LOVE NOTES

"Firstly, WOW! You have captured everything so so perfectly, beyond what either of us could have imagined!

We took your advice and sat down on Friday night with a chippy tea and a bottle of Greek wine which we managed to squeeze into our suitcase - it was the perfect way to see our day again for the first time!

We haven't been able to stop looking at the photos since and we're already planning where they're all going to go up around the house!

Thank you again for being part of our day! We really couldn't have picked anyone more perfect, it was an absolute pleasure to have you there with us and an extra thanks from me for keeping me calm when things didn't go 100% to plan."

NEXT STEPS

The quickest way to take the next step is to fill in the enquiry form on my website — I can't wait to hear from you!

My dates book up quickly each year, so to avoid missing out, I'd recommend getting in touch as soon as you can.

Once I've received your enquiry, I'll send over a bespoke quote with the package options outlined above, so you can choose what feels the best fit for your day. A 20% deposit secures your booking, and then the date is officially all yours.
